Church, Annette	annettechristina2014@gmail.com	Parent Member
Merryweather, Jay	jaymerryweather@suu.edu	Chair, Parent Member
Parson, Jeanine	jeanine_parson@hotmail.com	Parent Member
Petty, DaNeil	daneil.petty@ironmail.org	Parent Member
Robinson, Chelsee	chelsee.robinson@ironmail.org	Parent Member
Strother, Nina	nina.strother@ironmail.org	Employee Member
Whittier, Ray	ray.whittier@ironmail.org	Principal

The rules for procedures are a modified, informal version of Roberts Rules of Order at our meetings. All expenditures and other important items must be approved by a majority of the council.

Summary of the 2015-2016 School Plan Final Report

Our 2015-16 Trustlands budget (approximately $30,000) was spent according to the approved plan. Most all of the budget was spent on the following personnel: take-home librarian, kindergarten literacy specialists, arts integration teacher, and advanced learner specialist. We were disappointed that our literacy scores did not improve as much as we'd like. We will continue to work on this. We did spend a small amount on lesson materials for the aides listed above.

Current Year Plan (2016-17)

With a total of $44000 to spend (including a carryover from last year), most all of the funding will again be used to hire teacher assistants to help with literacy and art. Funds are also set aside for an advanced learners program and for lesson materials for all TA's listed. Another major expenditure will be for the acquisition of teacher laptops, Apple TV's, and iPads. These will be an integral part of making our teachers educational tech "experts" when we move into our new school building fall, 2017.
