

North Elementary Community Council
January 25, 2018
4:00

Welcome and introduction

Update Student Dress Code: The district is reviewing the current policy. Ray handed out the policy and asked the council to review it and send any suggestions to Daneil Petty. District meeting is set for February 1, 2018.

Trust Land Update: We have a large sum of money to spend: \$34,645.74. All money must be used to benefit student learning. Goal is to have 2nd grade 1 to 1 with technology, so any left-over money may be shifted that way.

Distribution Budget-2018-2019 was increased to \$63,000. Suggestions to use some money for extra CKLA material for reading interventions. Also, the money could be used for reading, science or other support positions.

Parent Pick-up: Plan C starts on Monday, January 29th. No parking on 200 North. CCPD will help enforce the new plan.

School Progress Update: Nina Struthers gave an update of DIBELS from BOY to MOY. Changes have been made to provide in-class interventions so all students are being services. The Title 1 intervention showed great progress in K-3.

Title Aides: ESL and math aides have been hired to help with interventions.

Next meeting: April 19th at 4:00.
