

North Elementary

Snowball Fight

Is on!

The seasons are changing, and so are our box top contests. Get every box top you can find because we are having a snowball fight!

- The class with the fewest snowballs on their door at the end wins!

Timeline: Now until the end of February.

- 1 snowball for 10 box tops
- 5 snowballs for 25 box tops
- 10 snowballs for 50 box tops
- A shovel to wipe your door clean is 100 box tops

*bonus: the class that turns in the highest average of box tops will receive an extra 25 snowballs.

*bonus: class that turns in \$100 worth of box tops will win an extra surprise.

Throw Snowballs: Starting December 10th snowballs will be given to throw.

Classes will throw (tape) the paper snowballs to the doors (cardboard).

Be the class with the fewest snowballs!

*Don't forget about the free Box Top app! It could triple the amount of box tops you are able to get. Just keep track of what you earn and let me know. Often you can receive over 100 box tops just for taking a picture of your receipt after buying things that might already be on your list.
