

## North Elementary School

### Summer Camp 2018, "Ancient Inspirations"

**Nancy Dalton**, Parowan Heritage Foundation, interpretive guide, will lead students through "Ancient Inspirations," a walk-through of petroglyphs, ancient calendars, (Solstice and Equinox) seasonal change and journey of a people...at The Gap. **Field Trip: Fri., June 22<sup>nd</sup> 9 a.m. to 11:45.**

**Tyler Knudsen**, Utah Geological Survey, (UGS) will introduce students to the ancient rocks, minerals, formations and the basics of earth-science of Iron County. Students **will examine** samples, identification, (use) and their importance in the manufacture and use of tools.

**Elaine Vickers**, local author will lead students to look back on both Southern Utah history and their own lives as a starting point for their own story – whether that's in the form of a journal, autobiography, or imagining themselves as the hero of an epic fantasy. Elaine Vickers is the author of **Like Magic** and **Paper Chains** (HarperCollins) and a chemistry professor (SUU).

**Cameron Pace**, Assistant Professor, Physics (SUU). Pace teaches both introductory and advanced physics and astronomy. In this class, students will explore everyday astronomy such as seasons, constellations, solstice and equinoxes, moon and planets and their connection to the petroglyphs at Parowan 'Gap.' We will use the **SUU planetarium** to delve into space and cosmos.

**Dawn Aerts**, Cedar North Art-Studio programs, writer, and artist will lead Studio I, Drawing & Painting. Class will explore the **basics of drawing** animals and examine 'ancient etchings' of the past. Art Studio II Color: Student to explore Southwestern Utah landscapes **with color** in pastel and watercolor.

**Noel Perry**,
