Message from your PTA President

North Elementary First Math-A-Thon was a huge success. Our goal was \$8500 and the kids collected about \$12,000! We are so proud of them for earning so much to help our STEAM Programs! After testing the students competed as a class to solve a Mystery where they had to solve math problems to figure out clues and eliminate suspects. In meeting our goal the students were able to watch Mr. Whittier get turned into a Human Volcano! They had a great time watching it happen. If you were unable to attend the assembly you can see the video on our PTA Facebook page. (North Elementary School PTA-Polar Bears) We would like to thank all of the parents, community and local businesses for their support!

Our sponsors were:

- MS Concrete,
- Cedar View Pediatric Dentistry,
- Southern Utah Vision Care,
- Ron's Sporting Goods
- Wilson & Whetten Orthodontics,
- TDS,
- Bulloch Drug, Webster Orthodontics
