

North Elementary School
BOX TOPS
2018-2019

***Here is a quick update on what is happening with
Box Tops this year at North!***

- **CLASSROOM CONTESTS**: We are doing a Super Hero Contest from now until Halloween. After that, we will start our Snowball contest! Our contests will go until May, so keep gathering those Box Tops all year!
- **TURNING IN BOX TOPS**: We have no preference as to how they are turned in - baggies, glued to pages, one at a time - it doesn't matter.
- **NAMES**: We do not need students' names, as we don't do individual student contests. However, if the box tops are turned in to the office, we would like the teacher's name on them so that classroom receives credit towards the current contest.
- **BOX TOPS APP**: We NEED more people to download the Free App! Using the App could double or triple our school's income! Once the app is downloaded, you look for offers, and then scan your receipt. The money automatically gets credited to our school. Grandmas, aunts, neighbors, friends - anyone can download the app, link it to our school, and really make a difference!
- **APP POINTS**: Write down your student's App points and they will count in all contests. We will even give 5 extra points for each new App download in your classes!
- **\$2,000 Goal**: Last year we were close, but so far this year we are behind. Each contest has its own rewards, but reaching our overall goal would mean we can Paint Our Principal! The Box Top Program could pay up to \$20,000 to our school. Let's make the most of it!
