

A Halloween Parade!

North Elementary is proud to announce our third annual Halloween Round-the-Block parade!

We have applied and received permission from the Cedar City Police Department to hold a round-the-block **Halloween Parade (weather permitting) on Monday, October 31st from 1:00 to 1:30**. Police will be blocking off the streets for us to keep everyone safe.

Students are encouraged (but not required) to wear costumes on Tuesday, October 31st according to the pre-arranged plans with their teachers. Please keep the following guidelines in mind when putting together a costume for your child:

- The costume must adhere to student dress standards of modesty---covering the shoulders, midriff, back, chest, and legs properly.
- No blood and gore
- No masks
- No weapons—not even toy ones.
- It must not interfere with the child's ability to learn (for example, too big to sit at a desk, itchy makeup, etc)
- Must not interfere with other children's ability to learn (can't see the board, etc.)

In the case of inclement weather, we will be holding our parade inside the school. Parents are welcome to come and cheer our students on!
